Overlaid on this pattern is the text 'OUT OF THE BOX' in large, bold, white, sans-serif capital letters. Below this, in a smaller white box, is the text 'ARCHITEKTUR DESIGN KUNST MODE IKONEN'. At the bottom left, there is additional text: 'Ihr Anzug und Ihr Briefcase, die Fassade eines Hauses, die Worte, die jemand findet, um eine Idee zu beschreiben, auch das ist Verpackung. Verpackung ist das Thema von Künstlern, Designern und sogar von Mutter Natur und deshalb sind Mode und Architektur, Kunst und Design auch Themen der Blue Box.' At the bottom right, there is a small logo consisting of a hexagon with internal lines forming a cube-like structure, next to the numbers '65'.

Book Release

DICH OHNE SCHMINKE – WE ARE THE RUHR AREA

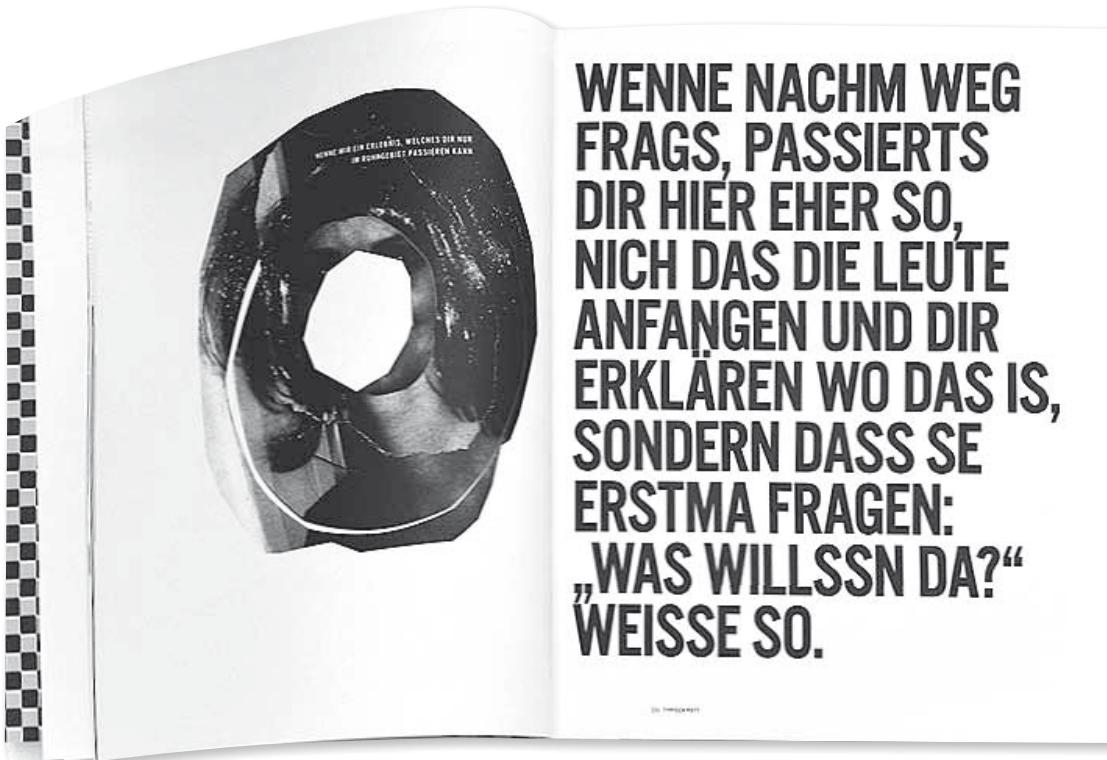

This is the name of „the magazine for supporting design and cultural exchange in the Ruhr area“ by Anke Christina Meier. The title is a fragment from the song „Bochum“ by the german singer Groenemeyer and at the same time the theme of the magazine. Anke Meier is showing us the Ruhr „undone“. The whole idea is based on the final exam of her diploma. Color is not used in the book except in the middle part where the black text is printed on green paper. The middle is the backbone of the magazine, which was chosen on purpose, so you „get to the emotions“ step by step as you turn pages. Anke Meier drove through 6 cities in the Ruhr area and asked the people how life is. What the charm of living there is or on the other hand makes the region unbearable to stay.

Die Ruhr gilt heute als sauberster Industriearme Fluss Europas. Sie speist mehrere 100 Wasserkraftwerke am Flusslauf. Der Fluss fließt täglich Abwasser von 2,2 Millionen Menschen aus privaten Haushalten und ähnlich aus gewerblichen Betrieben zu. Diese Abwasser werden in gereinigten Zustand und den fast 300 Kläranlagen zugeführt.

Book Design BAR

A book about encounters at night at a bar. How long are you sitting here? Your plans for tomorrow? One question that is on your mind especially at night? A few of the questions that I asked the people. This project gave me some exciting insight into the life of people I would have never met by accident.

PEOPLE AND SPACE

How much space does a person grant themselves to separate them from the rest? What kind of shape does this space have, how big is it and which position is the person taking in. Different people designed their individual space by using duct tape and by this showed of their inner self.

To present the philosophy and the printed art of Luups and to celebrate the new Mayence edition of 2010 the three project leader of Luups – Anke Meier, Daniel Sieben and Sascha Himmelreich – invited for a vernissage. About 150 guests experienced a balanced mix of culture and party.

The forty original art pieces were made by ten young artists from Mayence. They showed ArtWorks, sketches and photography.

"Man erlebt viel inner Zeit, wenn man 31 Jahre dabei is, ne. Ich bin auch mehr oder weniger son kleiner Pater, son kleiner Pastor. Wat ich alles hier anvertraut krich. Zum Glück bin ich studierter Sozialpädagoge. Die Leute kann man hier direkt ansprechen und zum Beispiel sagen: Wat biss du fürn Penner? Und der weiß genau, wat ich meine. Dat is Ruhrgebiet. Auch die Frauen im Ruhrgebiet könn, nach meiner Meinung, alles machen. Die könn also auch anstreichen, die könn tapeziern. Das sind irgendwie Tausendsassas."

Der Lokalpatriotismus is auch sehr wichtig, denn in erster Linie bin ich Wanne-Eickler und dann Ruhrgebietler. Dat is doch immer son bisschen wichtig, dass man wie Asterix son kleines Dörfchen hat. Nichts is so schön wie der Mond von Wanne-Eickel. Dat war 1962 nen Lied, und daran hat sich nix geändert."
